We're now taking orders and our experienced team are on hand to help or advise you if required.

How to place your Christmas Order

This year we've made a few changes to how we manage Christmas orders and collections, to help keep our customers and staff as safe as possible during covid-19.

We are encouraging our customers to place Christmas orders in full on our new 'click and collect' Christmas website, www.higginsonsatchristmas.co.uk where you will find our full festive range.

We will be taking full pre-payment of all Christmas orders and operating timed collection slots to help reduce waiting times and limit close contact.

Our meat and pie collection points will both be located adjacent to our shop. For those who are self-isolating or vulnerable, we will be offering a limited number of home delivery slots on 21st, 22nd, 23rd and 24th December.

If you are unable to order online, you can find a copy of our online order form inside this brochure. Please complete this with your full contact details and all the items, sizes and quantities you require, then simply pop it into us at the shop or telephone us on 015395 34367. We will discuss a collection slot with you and take payment in advance of collection'

Our shop will remain open as normal for any extras items to be purchased on the day. Opening times can be found on the back of this brochure.

We thank you for your support and cooperation and would like to wish you a very Merry Christmas and a happy, healthy New Year.

Festive Poultry

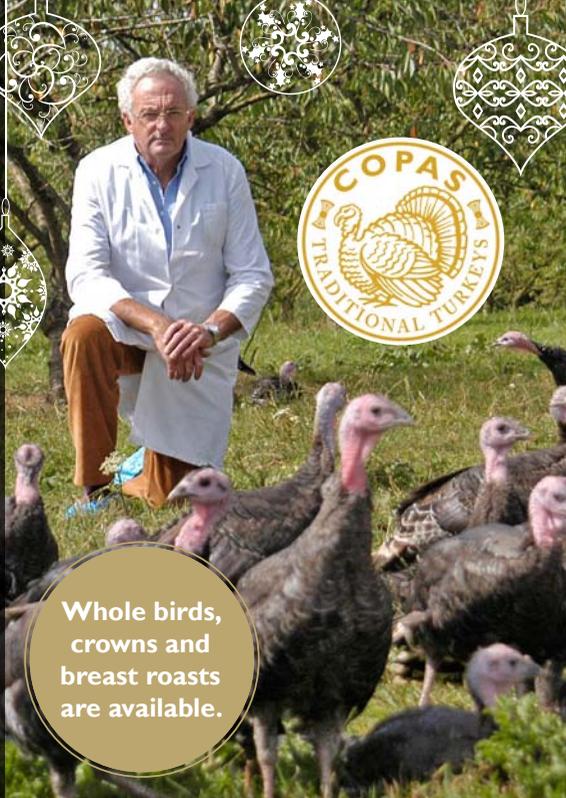

Copas Free Range Bronze Turkeys

These multi award-winning turkeys have been a firm favourite of ours for many years and we are proud to have been the sole supplier of these special turkeys in Cumbria for the past 29 years.

Copas rear traditional, slow-growing birds in large cherry orchards on their farm until they reach full maturity.

They are game hung, plucked and dressed by hand to guarantee a rich, full flavour.

“Absolutely delicious, a wonderful family meal” Prue Leith

Whole birds, crowns and breast roasts are available.

Higginsons Farm Reared Turkeys

Our top quality, great-tasting farm reared turkeys make a wonderful Christmas dinner table centrepiece. Locally reared on family farms, the birds are free to roam in spacious barns and are fed on natural, high quality diets to guarantee a succulent, mouth-watering product.

Whole birds, crowns and boneless breasts are available. We also offer boneless breasts with one of our home-made forcemeats (gluten-free option available)

Don't forget to order a tub of our delicious home-made turkey gravy!

POP-UP TIMERS

Come free with all festive joints

Traditional Free Range Geese

The most traditional of festive birds, our Geese are produced by speciality farmers, Goodman's Geese in Worcestershire. Goodman's have won numerous awards for their outstanding free-range Geese and pride themselves on the quality and flavour of the birds. Naturally reared, the Geese are free to roam

grassy paddocks and are fed a home-grown, specially prepared diet which helps to produce a succulent, tender product.

They are dry-plucked and hung for 7-10 days to allow the meat to mature. We recommend allowing approximately 1kg per person.

Free Range Chickens & Cockerels

Our selection of free range chickens and cockerels are sourced from our friends at Packington Farm in Staffordshire. For a bird that packs a punch, you can't look past these traditionally farmed cockerels, fed on natural diets and free to roam in grassy pastures.

Whole Ducks

Reared in small flocks in grassy paddocks these free range Devonshire ducks are slowly reared on a natural diet for fantastic flavour. A 2.5kg duck will feed approximately 4-6 people

Festive Showstoppers

Luxury Three Bird Roast

Our hand-made three bird roast is the ultimate festive showstopper for larger families. A whole farm fresh turkey stuffed with the finest duck and pheasant breasts, and finished with our traditional homemade Cranberry, Chestnut & Orange forcemeat.

Feeds approx. 8-10 people.

Gluten-free option available.

Ballotine of Turkey Breast

Our hand-tied ballotines are a delicious, easy to carve, no waste roast made with boneless turkey breast, duck and pheasant breast, and stuffed with our cranberry, chestnut and orange forcemeat. Available in various sizes, they come wrapped in streaky bacon for a final flourish. Gluten-free option available.

Pintade Farcie

One of our original festive creations made using the very finest produce. A fresh boneless guinea fowl filled with extra guinea fowl breast and our home-made mushroom and chestnut forcemeat, all wrapped in delicious streaky bacon.

Feeds approx. 4 people.

Game

Christmas is the ultimate time of year to enjoy some beautiful, local game. These traditional, seasonal meats are a lean and healthy alternative to turkey. Boneless venison haunch or venison cannons are ideal for roasting, however we also have a full selection of joints, steaks and diced venison available. We also have beautiful local pheasants, rabbit, guinea fowl and partridge available during the festive season.

Chucklings

One of our best-sellers. A whole fresh duckling stuffed with succulent chicken fillets and our special home-made Cumberland forcemeat made with premium pork, a zest of orange and a very good measure of orange Cointreau.

Our extra matured beef is carefully sourced from local farms being mostly heritage breeds and is traditionally hung on the bone for 21 days to enhance flavour, quality and tenderness.

Our award-winning bacon and sausages will be in plentiful supply, together with our popular home-cured gammon joints. For something a little different, try our Cumberland cocktail sausages – and keep your eyes peeled for our festive sausage specials! Gluten- free options also available.

Festive Force meat

Made using the finest pork sausage meat blended with fresh ingredients, our homemade forcemeats are the ultimate accompaniment to your Christmas feast.
